Panskura Banamali College (Autonomous)

M.Sc. 3rd Semester Examination -2022 (Online Mode)
Subject : Computer Science Paper: COS-302
Paper Name:M1- Computer Graphics
F.M.: 20 Time :1 Hour

A. Answer any one question: 1 x 4 = 4

1. What is text clipping? Explain rasterscan display. Discuss matrix representation.

2. Explain any line drawing algorithm

B. Answer any two questions: 8 x 2 = 16

3. (a) Give the syntax of drawing a circle in computer graphics using various algorithm
   8
4. Write a general unction for resteraization. Explain the role of pixel & frame buffer in computer graphics.
   4+4
5. (a) Write a short note on clipping?
   (b) What is frame buffer?
   (c) Define CRT?
   (d) What is color lookup table?
   (2+2+2+2 = 8)
